Al-Qaeda jihadists plot attack against 2010 World Cup

Mozambique emerges as a base of operations for al-Qaeda jihadists. Plot to bomb US build World Cup, by [Mubashir Siddiqi](#) and [Peter Fabricius](#) for [ICM](#), October 11:

Tired of fighting, and largely losing, against the US in Afghanistan, Pakistan and Somalia, Somali jihadists devise a strategy to take on the superpower in South Africa.

There's a questionable assertion: The fact that Somali jihadists are threatening to take beyond borders shows how confident and well-connected they are within that country that they their operations. Beyond that, there are many ways in which the preceding paragraph is over and inaccurate: Are Somali jihadists fighting the US in Pakistan? There may be contacts
